“ Bobbi- Even though you were my bridge Buddy, you were much more than that to me! You inspired me to learn how to knit & were patient to help me with my mess ups! Your smile was contagious and you know how we all loved to laugh! You will be dearly missed by your family & friends! BTW this friend is not in Texas yet! Love,
Leanne

“ Bobbi---I will miss you as a fellow professional and friend. We worked for SEDOL during the golden growth years which have now gone away. We started with the old Title VI monies. You were an excellent audiologist and I was a speech pathologist who struggled at times, but you were always encouraging to me. We shared an office with Barb and called ourselves the "Roomies". After we both "retired" from SEDOL, it was a pleasure to see you each summer and share happenings in our lives. Happy I got to see you this summer just before your 75th birthday. I know you had a very joyous birthday weekend in Lake Geneva. J-J-Judith Eckardt , Tucson, AZ

“ Bobbi - my wonderful friend. So many good times were shared over the years. Together enjoying Book Club, tennis, golf, Garden Club, Bridge, GF&F's & Birthday breakfasts. Her thoughtfulness, kindness & words of wisdom were always valued & appreciated. She touched our hearts with her sincere & gracious ways. I feel blessed to have known her, call her dear friend & shared so many years & fun times together. I will deeply miss her. My sincere condolences to Jack, Nedra, Melissa, John, Bruce, Sheryl, Mac & grandchildren. She spoke of you all often with pride & love. “ I've only known Bobbi for a short 3 seasons or so in Sarasota but really enjoyed her great personality. Thank you Bobbi for so patiently and with lots of fun trying to teach a few of us the latest in the game of bridge. Whenever we play in the future you will always be in our thoughts. Will also miss our weekly golf games. God bless your family during this difficult time.

“ Although Bobbi was a relatively new friend of mine, I so appreciated her sunny personality. She raised everyone's spirit. I will miss her, especially as my bridge partner in Sarasota at Gulf&Bay Club, which is where our friendship commenced and solidified. Her kindness and thoughtfulness of others will always be remembered and sorely missed. My heartfelt condolences to Jack and her family.

“ Knowing Bobbi has enriched my life. We shared our love of family, friends and books. Sitting next to Bobbi, listening as she generously shared her wisdom, experience and delight in life, makes me smile in recollection. I feel honored to have had her as my friend and now I feel great sadness. Sending love and strength to her family and friends,

“ My Very Dear Friend Bobbi, I will miss you immensely: your warm smile, your easy-going nature, your wisdom, your generosity, and your companionship on the golf course (along with the schnapps that you always broke out whenever anyone made a birdie...which wasn't too often, but you made it really special when it did happen). Our long-time friendship will continue, only now it will be within my heart.

“ Oh Bobbi, I shall miss you at the bridge table and seeing you around and about LF. You were such a wonderful mom and grandmother. Though the lack of your physical presence will be ever so sad for your children and grandchildren they will have ever so many fond memories.

“ With a positive outlook on life and a witty sense of humor, Bobbi shared her wisdom and her knowledge. I will miss her warmth and spirited conversation. I will miss her at Garden Club and at The Quonset, and relish fine memories of our times together!

“ It is so difficult to believe that we will not have Bobbi to enjoy golf and friendship with anymore! She was such a dear and caring friend - always with wit and wisdom to share. We have known for over 30 years - starting at the Lake Forest Club with our tennis team and working with the Swim Club. Bobbi was a dear friend and a beautiful person. God bless all who will miss her!

“ Dear Jack, Our thoughts reach out to you during this difficult time. I played golf with Bobbi only a couple of weeks ago and we had a lovely round. Bobbi was always a delightful partner. May you be sustained by loving memories of Bobbi. Vivian & Bob Keenan
