“ He was my dad, but also my friend, This may be odd for most...but i was around 14 and dad had been leaning towards the " talk" well he tells me we are going for a ride, drives me down to the Pussy Cat theater in proceeds to buy 2 tickets, im.about as red as a beat, when he takes me in to watch, this movie, im sure you can guess what kind...after it was over n we got in the car, he turns to me and says, " Do you have any questions" then says girls are just a curious, as men, but remember, it may have not been the proper way, but to this day, i see the point he made, and the story made my kids laugh when i told them later....I LOVE N MISS YOU, DAD SO MUCH
