May 10, 1932 - October 29, 2021

Stephen Dunn MacFarlan was a loving husband, devoted father, grandfather and great-grandfather, wisecracker friend, world traveler, and selfless volunteer. He left this world peacefully in his Mundelein home on October 28, 2021.

Stephen was born on May 10, 1932 in Philadelphia, PA to Stephen and Elizabeth MacFarlan. He was raised and educated in the Philadelphia area. From all reports, he was a rascal and ever into mischief with his cousin Bud. After graduating from Lehigh University, he attended Officer's Candidate School. He joined the Navy and sailed the seas which created his love for traveling the world. After his service, he married Esther Fow and raised his two children, Alan, and Debbie. He became the best grandfather to Alan, Whitney, Tanner, and Charlie. During this time, he worked for Armstrong World Industries. Sadly, after retiring, he lost his wife Esther. Later, he was introduced by a dear friend to Susan Corzatt and her four children, Rich, Katie, Meg, and Kurt. They were married and began a life traveling and sharing. Steve was a volunteer all his life and loved serving his church and the community. He was loved!

Stephen is survived by his wife of twenty-five years Susan MacFarlan, daughter Deborah MacFarlan, son Stephen Allen MacFarlan (Mindy), grandchildren Alan, Whitney (Kevin), and Charlie. “ My father was a remarkable man! There isn't a part of my 62 years that I don't remember something every day about him.

Dad believed in treating others as you would want to be treated. His compassion for helping others was shown in all the volunteering he did. I was fortunate enough to go on a trip to West Virginia with him to build a church. He and I tore down old Plaster and replastered a room for a lady that had cancer.

Dad was my mentor, my confidant, my best friend. My children could not have had a more loving grandfather. They went all over the world with their “Baba.”. He Taught them As he Taught me To look Beyond Tourist attractions, Learn the Authentic culture Of the people.

My father was a one-of-a-kind man and is very much missed.
