“ Dear Nancy and all of Barbie's family...I am so sorry for your loss as well as for my late response. Barbie was so very kind to me after the loss of my child..I will never ever forget. What a kind and wonderful woman she was and I believe the world now to be a little bit dimmer. To my beautiful cousin Barbie---I will always love you.

“ I am so very sorry to hear this sad news about Barbara. We didn't know her well, but in 1986 we bought Jean and Roger Peddle's home at 821 Summit Ave. LF (I am a lifer Lake Forester) and became neighbors of Ron and Edie (and Terry and Jim Swarhout were our immediate neighbors) whom we came to love and adore. Please accept my sincere sympathy and prayers at the deep loss Barbara's death brings to all who knew and loved her. Sending all of her family and friends healing light and energy at this difficult time.

“ *We send our heartfelt sympathy to Jimmy, Nancy and the entire Peddle family and share in their sorrow as we remember Barb as our friend. While warm, gracious, considerate, with a great sense of humor, our fondest memories of Barb will always be the laughs we so often shared playing card games with Donna and Bert at home and in Door County. Joyful moments are treasured memories that are ours to hold, always.*

God bless Barb and all of our dear Peddle family friends.

*With love,
Dorothy and Jim Iacubino and Family*
