“ Ruth, Bernadette, Bernie Jr and Joe -

I am so very sorry to hear of the passing of your beloved father and husband. You may remember me from long ago, when we were kids and our parents got together often. We had such fun, your Dad was so delightful, and all of us have wonderful memories, especially my Dad, who also has the memories of police service stories he and your Dad shared. It's so hard to lose our parents, but I pray that memories will keep you at peace and that they will help in the coming days.

Know that you are in my thoughts and prayers,

“ Dear Ruth,

Learning of Bernie's passing brought back good memories of his friendship and when we worked together at the Sheriff's Dept. and I would occasionally help him at the homes in Lake Forest.

May this note find you at peace,

“ *What started out to be a routine visit to my Brother in laws parent' s (Bernie and Ruth) house for the weekend has become one of my best memories to date. Bernie Sr and I danced all night and had a great time that night! I nicknamed him BS that night as he is Bernie Sr. And it stuck! Although I didn't see him as much as I would have liked to, he has often been on my mind and will forever in my prayers. He will be missed. Condolences to Ruth, Joe, Bernadette, and Bernie. Love, Renee.*
