“ Carol Ann was one of those people who could light up a room. We were friends in high school and I remember her fondly. She was beautiful inside and out. God welcomes you, Carol Ann.

“ Carol was a dear, dedicated woman, who taught her students through encouragement, making each one feel good about themselves. She had a wonderful laugh, which I can still hear, which reflected her positive outlook on life. I extend my sympathy to her family.

“ My computer applications teacher senior year of high school. We loved her so much we referred to her as "Grandma Minor" as she made us feel so welcome and at home. Truly a special person who will be missed, yet her legacy lives on with all of those who were touched by her grace!!!! <3
