“ Claudia, Amy and I were all board members together on the board for Camp Jorn YMCA. One of my first memories of getting to know Claudia was during the first board retreat where Claudia, Amy and I shared a cabin at camp. The 3 of us were great bunk mates and even the night that Amy and I decided to stay up a little late (I'm thinking 2 or 3am but Amy you'll have to correct me on that one!) sitting on the dock. We came back to the Cabin and were trying to be SOOOO quiet but when we came in, sure enough there was Claudia, wide awake, playing a game on her phone in her sleeping bag on her bunk! After that Claudia and I connected on a regular basis when she would visit the northwoods. She and I had a wonderful trip up to Bayfield to look at a few homes, drove past her previous family home and had lunch at Maggies. When she decided to purchase her log home in Manitowish Waters, I was thrilled because I knew she would be closer than if she was in Bayfield. We would meet for lunch when we could or have dinner at her home. I always felt like I could talk to Claudia about anything and she would listen so well, offer her thoughts and advise. I always loved our conversations. The picture that I have in my mind, that I hope to have forever, is Claudia walking into my office with her hat on, a huge smile on her face saying "I'm here" and then laughing that wonderful laugh! Amy, Sara, Mary and Greg and all of your family; my thoughts, love and prayers go out to all of you. I feel truly blessed and thankful to have had your Mom in my life - she will be greatly missed!

I knew Claudia when we lived in Langdon Hall at Wisconsin, all those years ago. I remember her mostly from the dining hall, when we would all line up for that wonderful sour cream coffee cake! She was a neat person, and I remember her fondly.

“ Claudia was a very special person who touched so many people's lives in such a warm and genuine way. Our family has known Claudia and her family going back to her first days at Camp Jorn. Camp became an important place for our families to share a profound and lasting experience that Claudia has always believed in since her earliest years. I remember helping to paint Claudia's and Jack's home in Lake Forest as part of a college rode trip from Madison. Our payment for the effort was warm hospitality, good food and Jack's old parade convertible that we drove back to Madison. What a great experience! I especially remember how gracious Claudia was for sharing her family cabin with Angelica and I to spend part of our honeymoon in the beautiful North Woods of Wisconsin. Claudia was the key Camp Jorn Board member who advocated for a Master Plan to save camp from bank repossession. This was the beginning of a very successful fund raising campaign that both secured the place Claudia loved but also help it improve immeasurably. I'll always remember Claudia vision and her major financial contribution leading to the Camp Jorn Master Plan. Our sincere condolences to our good friends Amy, Sara, Mary, Greg and the rest of your family for your loss. We are here for you and look forward to celebrating Claudia's life with you the next time we reunite! Claudia's spirit lives on in all of you!

“ *Many wonderful childhood memories of get-togethers, playing croquet and enjoying saunas at Aunt Tagne, Uncle Tai, Claudia, Connie and David's home in Waukegan. Later after many years, I remember connecting with Claudia at my Aunt Vienna's (Einola) funeral in Ironwood. She was very personable and interested in how my life evolved over the years. I shared a regret that I never visited Finland (my Grandparents on my Mom's side of our family were Finns). She responded by saying that if we ever wanted to visit Finland, she would go with us as our tour guide!*

“ I am very sad about this loss. Claudia and Jack were prime movers beyond our Wyoming ministry back in the 80s. My daughter is making a movie out of all the pics I took of our trips and will send a copy to the family in the coming weeks. My heart goes out to the family and I cherish all the memories.

“ I was so stunned to read this. I was one of Claudia’s dorm mates in Madison and she was such a strong female advocate even in the early sixties. Last saw her in California in the nineties. My thoughts are with her family!
