“ Lynn, Cece and family, I am so sorry for your loss. Gerry was a special lady. Witty, caring, devoted, intelligent, generous, accomplished, dynamic... all words that come to mind when I think of her. I will miss her deeply. We had many wonderful conversations throughout the years. We rejoiced in the successes and frowned on the failures. She often talked to me about her family and she loved all of you. I hope your happy memories bring you some comfort. I will think of her often and know she will not be forgotten. Little pieces of her are all over Madison in the people and organizations that she touched. My sympathy and condolences to all -
