“Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out...” (John 5:28) The use of the expression "memorial tombs" tells us Gods memory is involved, those who have fallen asleep in death have not been forgotten. They are in gods memory awaiting the time when they will "hear his voice and come out." What a wonderful promise, may this comfort your heart at this time.
