“ *My heart is so sad to hear of my girlfriend & coworkers death! She loved to shop & go to the casinos with her girlfriends . She was a very generous person who loved everyone . I hope she is having a Manhattan as she watches her favorite animals run around on her horse ranch in heaven! Love you always your friend Linda Cahill*

“ Goodbye my friend, you will be deeply missed. Your spontaneous and effortless wit have yet to be matched by anyone else I've known. You made me laugh with every encounter, something I could always anticipate, especially at lunch table conversations with the girls. This was your gift to others and you shared it well. Thank you.

God bless you.

With love,

Linda was the BEST, she was always there to help staff and parents. She always did her job with a smile and usually with a quick wit joke that brightened your day with a laugh. Her LFHS lunch bunch will certainly miss her. God Bless you.
