“ Dear Barb I am so sorry to hear of your loss. I will miss Marc. He was my fathers old and best bud along as well as Tom Ring and will always remember him,even as a little girl. Life is precious and our time here is short and we never know what seeds we plant to those around us. I prayed for for Marc these past few months after Chad my youngest son told me he was dying.

Mark 1:9-11 "In those days Jesus came from Nazareth of Galilee and was baptized by John in the Jordan. And when he came up out of the water, immediately he saw the heavens being torn open and the Spirit descending on him like a dove. And a voice came from heaven, 'You are my beloved Son; with you, I am well pleased.'"

Mark 8:22-26 - This account of Jesus healing a blind man is the second unique miracle to the book of Mark. Note how both of these miracles run with Mark's theme of faith and mercy. Mark 9:14-29 - This is the story of Jesus demonstrating for the disciples that there are certain demons that must only be cast out by fasting.

The Pharisees came and began to question Jesus. To test him, they asked him for a sign from heaven. 12 He sighed deeply and said, "Why does this generation ask for a sign? Truly I tell you, no sign will be given to it." 13 Then he left them, got back into the boat and crossed to the other side.

Beware of the Leaven of the Pharisees and Herod: Mark 8:13

13 And He left them, and getting into the boat again, departed to the other side. 14 Now [a]the disciples had forgotten to take bread, and they did not have more than one loaf with them in the boat. 15 Then He charged them, saying, "Take heed, beware of the [b]leaven of the Pharisees and the leaven of Herod."

Mark was special to the Most High and he has had favor.

I think I have old pictures of Marc and Barb and myself at the Rotary

Club event in Woodstock....luau theme....

I will look through my old photos and try to post some in the following days.

“ Dear Barbara and family,
May this poem help you keep Marc close to you.

Do not stand at my grave and weep

*I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.*

*When you awaken in the morning's hush
I am the swift uplifting rush.
Of quiet birds in circled flight
I am the soft stars that shine at night
Do not stand at my grave and cry
I am not there. I did not die*
