“ Dear Mullin Family:

We were deeply sorry to learn about the passing of Mrs. Mullin. A loss is not meant to be endured alone and we send along our heartfelt condolences to all of you.

The relationship with the Mullins began In 1964, when Werner, a nephew of Helmut and Anna Stein (living on Mills Court at the time), enrolled as a night school student in Mr. Mullin's English as a 2nd Language class at LFHS. He recalls Mr. Mullin as a wonderful teacher and that Mrs. Mullin warmly welcomed all the students into the Mullin home for an end-of-the-session delicious international meal.

We believe we are guessing correctly that Mrs. Mullin did not talk much about her numerous acts of kindness, but that everyone reading this was in one way or another on the receiving end of that kindness. Simply put, she was an invaluable gift to many.

Fast-forwarding to 2004, it was to our delight that Mr. and Mrs. Mullin accepted an invitation to Werner's surprise 60th birthday party at the (now torn down) Country Squire in Grayslake. We will always cherish the photo we have of the two of them at that celebration...each with a twinkle in their eye.

Mrs. Mullin's beautiful light still shines...and always will.

Sharing in your sorrow...Werner and Cobi Witberg Stein

“ On behalf of Fr. Scott Donahue and Mercy Home for Boys & Girls, we would like to extend our heartfelt condolences and prayers to the family and friends of Peggy Mullin.

May the angels lead her into paradise; may the martyrs come to welcome her and take her to the holy city, the new and eternal Jerusalem.

“ I have so many happy memories of my Aunt Peggy. As a child I loved visiting my cousins because she and Uncle Gene were such fun, and their home was so warm and welcoming. I enjoyed watching home movies at the Mullin's during the holidays. Cousin Jim Goosen would run the home movies backwards. As kids we thought that was so funny, but his Mother Eileen did not. She was always telling him to knock it off.

As my dad Jack's only sibling, she was a source of joy, comfort and pride.

I Loved Aunt Peggy very much, and I hope my cousin's Suzie, Kevin and Mindy find comfort in knowing how much she meant to me.

“ Suzie, Kevin, Mindy, and Families,

We were so saddened to hear about your mom's passing. We all grew up together next door to one another. Many happy and crazy times were had by all. Our mom's worked together for years and visited often with one another. Our parents are all together now.

We will keep all of you in our thoughts and prayers as this time passes.

Our love and blessings to you all.

“ *Oh! How I love my Peggy. Always smiling. Always kind. I have been blessed knowing Peggy for fifty seven years. What a lucky gal I am. Loved visiting with her until this virus came along. When I walked in I would get a huge smile. I would immediately, put a well positioned, red lipstick smooch on her cheek. She is enjoying being with Gene in heaven. Gene greeted her with a big smooch. I will miss that smile. I love you sooooo much Peggy.*
