“ Dr. Canero was one of the very best in his field. He delivered the joy of our life and care for me for many years afterwards. His bedside manners was second to none. He was professional, down to earth, and FUNNY. He was tickle when he found out what we name our bundle of joy (Cardelro)and said we named him after him lol. I was devastated when I learned that we was retiring. Mrs Canero, thanks for sharing him with us all those years. I WILL ALWAYS SHARE HIS FUN MEMORIES. Praying for you and the entire family.
SINCERELY,
MR AND MRS CARLTON JONES- MCCORMICK SC

“ Dr. Canero was my Dr. From the time I was a very scared young mother. He delivered two of my children. In all those many years he never forget that I met my husband at the skating rink. He was a dear, trusted physician but more than that he was someone who cared and whose patients cared for him. Im so sorry for your loss. He was a great man.

“ *Condolences to the family. I am from Abbeville, South Carolina. This wonderful man delivered both of our boys. My boys are now 31 & 28. He helped me name my oldest son. Every time we saw each other, he always addressed me by my name and asked about the boys by their names. Had nothing but love and respect for MY DOCTOR. R.I.P.*
