“ After years looking for Michael, I stumbled over this sad news. I was stationed in Vietnam with Mike if fact shared the same room. I will never forget the fact that Mike would write his wife every day from the one chair in our room. Wonderful guy that he was. I also remember sharing a few beers at the NCO club and playing Fastpitch softball at the local Air-Force base. Spending a year in a war zone was not the easiest but Mike helped make it tolerable. I’m sure he will be missed. Welcome home Michael! 🇺🇸🕊️🇺🇸
