“ *I didn't know you very well or for very long, but as one of your many friends at Clarendale, we will miss you. We will miss your stories at Cocoa and Conversation! May peace be with you.*

“ *The loss of such a caring man will be felt by many. He and Mickey were our neighbors for many years. They were the best and truly generous and caring. We spent a lot of years watching our families grow and being blessed with grandchildren. It was a wonderful time in our lives. My heart is filled with wonder at all the good and sad times that we shared, and also with sadness at the loss of this fine person. Mickey, Tom and Ann along with their families will continue to be in my prayers and fondly remembered forever. Just one quick note, our granddaughters have become good friends and this too is an added blessing. To Mickey, special thoughts and prayers for you. Strength in all you do and a happy heart for all that you shared.*
