“ *Oh my gosh this is so hard to write. Erin and I were so close growing up. I have so many fun memories with her. She was one of my best friends when we were younger. I am so very sorry for your loss. Ryan and Erin were amazing people who will be remembered in the hearts of all who knew and loved them. Erin, I'm so sorry I missed your call that day. I will seriously never forgive myself.*

“ *I don't know who's reading this, but I considered Ryan a very close friend during childhood. We had a lot of laughs together, got in a lot of trouble together though eventually he grew up and I did not. To Ryan and Lisa and the rest of the family and Roscoe and that St. Bernard and the old house on Mortimer - thanks for some very good memories.*

“ Lisa and family, I just heard this heartbreaking news (shared by Bill and Bonnie at a private dinner with mom Claire Bienemann). I so wish I'd known about this devastating loss prior to the wakes, as I would have moved heaven and earth to be there for whatever comfort I could have given. Please know, Lisa, that our hearts are there with you throughout and beyond this unimaginably painful time. We love you.
