Sally McLaughlin (Dunn) died on January 2nd at age 69 at Advocate Condell Hospital in Libertyville, after a long battle with cancer. Sally was a resident of Vernon Hills, and was a native of Lake Bluff and Lake Forest. “ My deepest sympathy to Chelsea, Matt and the rest of the family. Sally was a wonderful dear friend. So many wonderful memories of walking the many different forest preserves and sitting on her deck and fire pits. We had so much fun together. We were both widows and I will be forever grateful for her unending support. I am honored to have had her as my friend. Sending love and hugs. 🥹❤️

“ My deepest sympathy to all the family. Sally was a wonderful caring friend. We had so much fun together. We shared a love of walking. We loved sitting on her deck on beautiful days and having brat stop brats and white claws. We would also have a fire pit and cook hot dogs. So many wonderful memories. We loved walking many forest preserves. Our favorites were Ryerson, Daniel wright, the grove and River trail. We so enjoyed seeing the beautiful flowers and lakes and River. Sally introduced me to Lake Bluff beach and it was a very special place for us. We were both widows so when Sally came into my life I was so grateful. She helped me so much. I will miss her terribly and will never forget her. It was a privilege to call her my friend. Sending love and hugs. Martha Ramuta ❤️🥹

“ *Sally was a neighbor when I was a young mother in Vernon Hills. I remember hearing the BeeGee's and Andrea Bocelli playing loud and clear from my house across the street. Many years after moving away from our close-knit neighborhood Sally and I connected on Facebook. I had no idea what a gem she was while I was living across the street from her. Recently I was able to visit our neighborhood and met up with Sally. I felt blessed to have been her friend over all of these years. Rest in Peace good friend.*
