“ *Sarah, as I remember, was always kind and loving but the memory that I always go back to is Sarah and Edwin's wedding. I was just a kid when Sarah and Edwin got married but I knew I wanted to find what Sarah and Edwin found in each other. Their love reflected on those around them. It's was something that couldn't be touch or explained, you just felt it. I have always admired Sarah and Edwin as examples of real love, that true love that nothing could break and tried to reflect that in my own marriage. Sarah was always ageless and beautiful, as she will forever be.*
