

Teresa Marie Cleaver

November 6, 1956 - June 16, 2020

Teresa Marie Cleaver, age 63, took her final step to eternal life on June 16, 2020 after five years of living with cancer.

Terri was born in St. Paul, Minnesota to the late Joseph Albert Doerrer and the late Patricia Ann Kirk. Her mother inspired her to be an artist and she earned a degree in Art Therapy from the University of Wisconsin-River Falls. She lived most of her life in Wisconsin where she was a loving mother who worked selflessly to provide endless opportunities for her children. Terri was a passionate leader and life-long member of the Girl Scouts of America because she loved helping kids build courage, confidence, and character. She enjoyed sharing her passion for painting, photography, and travel. Above all, Terri's greatest joy was her family.

Terri is survived by her husband of 40 years, Donald Cleaver; her children, Angela Thedinga, Timothy Cleaver, Patrick Cleaver, and Karen Singer; her grandchildren, Ana, Thomas, Abigail, Elizabeth, Luca, Enzo, Evelyn, and Oliver; and brothers and sister, Steve Doerrer, Anne Doerrer, and Dan Doerrer.

“ I treasure my memories of working with Terri in Girl Scouts. The cold snowy days up at winter camp where the girls learned how to build a fire in an ice filled fire ring and played snowshoe softball. The many hours we worked together planning winter camp and reviewing Gold Award applications. Terri had a heart for Girl Scouts and cared deeply for the girls and adults she worked with. As I looked through the winter camp facebook group I realized there were very few pictures of Terri, she was always the one with the camera. I did find a couple to share and a video clip. I am blessed to have known Terri and to have worked with her. I pray for comfort for Don and the entire family.

“ *Terri taught me so much over the years we shared together in Girl Scouting. We were trainers, served on a council wide property committee and the Gold Award committee. We loved camp. Terri always lived the mission of putting girls first. Terri had an uncanny ability to ask the question that needed asking to raise the level of a project or understanding. Terri willingly went the extra mile to meet with a girl or serve others. Terri made the world a better place by being a woman of courage, confidence and character.*
