“ *Will was an amazing person who was happy and enjoyed talking with us. Will and Carol always made me feel welcome growing up as a youngster at their home in Wildwood. Later my family and I had so much fun on the 4th of July at their house on the lake along with the pontoon boat rides. You welcomed our children to your gatherings. Our group trip to Vegas was spectacular! We have many special memories and you will never be forgotten. Rest in peace.*
